

VANI CREAM

Vani cream is a unique moisturizer that contains ingredients that are gentle to your skin. Vani cream is formulated specifically for sensitive skin. There are no dyes or irritating ingredients found in this special moisturizing formula. Vani Cream can be purchased in Savannah exclusively at Spataneity.

USAGE INSTRUCTIONS:

Vani Cream alone or with other non-prescription moisturizers can be used as often as needed. It is recommended that it be used on a daily basis in order to receive the best results.

ADDITIONAL INSTRUCTIONS:

If you have been directed to mix Vani Cream with a prescription such as triamcinolone cream you should mix it at a ratio of 1:1. This means that you mix one equal part of Vani Cream to each part of prescription cream. If you have been directed to use Vani Cream mixed, you should apply it twice a day for a *limit* of two weeks. Avoid applying the mixture to your face unless otherwise directed.

QUESTIONS:

If you have any questions or concerns please contact Georgia Skin and Cancer Clinic at 1-800-599-0067.
